

STICKY Sevens MEGAWAYS™

It's all about the 7s!

★ 117,649 MEGAWAYS™

★ Win up to 10,000 x Bet

★ 2 Free Spins Features

★ Wild Multipliers

Two Free Spins Features with the power of Wild 7 Multipliers.

Wild Multipliers are always in play in **Sticky Sevens Megaways™**, boosting prizes and the chances to win, even in the 2 great Free Spins features: **Sticky Wilds** and **Random Wilds**.

Trigger Free Spins and you'll get to pick from the two features before the Prize Wheel awards you a number of spins.

This colourful, dynamic 7x6 slot with Megaways™ offers a huge 117,649 Ways to Win.

Will Sticky Sevens be lucky for you?

WILD SYMBOLS

Wild multipliers are always in play during Sticky Sevens Megaways™.

The Wild symbols multiply the win it participates in by x1, x2, x3 when they appear randomly on the reels. If the win combination contains more than one Wild symbol, it is multiplied by all values.

The Wild symbol appears on reels 2, 3, 4 and 5 during the main game and Free Spins. It substitutes for all symbols except for the Bonus symbol.

During the Free Spins features, the Wild symbols act differently depending on the chosen feature: Sticky Wilds when Wilds stay on reels till feature ends or Random Wilds when Wilds may appear every spin anywhere on the reels.

BONUS SYMBOL

The Bonus symbol appears on all reels during the main game and Free Spins.

3 or more Bonus symbols anywhere on the reels trigger Free Spins during main game only.

The number of Bonus symbols determines the number of spins presented on the Prize Wheel. The more Bonus symbols land, the greater number of spins.

TWO FREE SPINS TO CHOOSE FROM

There are 2 Free Spins features: Sticky Wilds and Random Wilds.

They are triggered by 3 or more Bonus symbols landing anywhere on the reels.

The more Bonus symbols that land, the higher the level and the bigger the number of free spins will be on the Prize Wheels.

Free Spins cannot be retrIGGERED.

PRIZE SELECTION WHEELS

Before the chosen feature starts, a Prize Wheel randomly awards a number of free spins or levels up to a new wheel with different prizes.

The progress bar indicates the level of the Prize Wheel.

6 Bonus symbols triggering the feature awards the highest level of the Prize Wheel. In that case Free Spins start without the spin of the Prize Wheel.

STICKY WILDS FREE SPINS

Sticky Wilds stay on reels until the Free Spins feature is over.

The Sticky Wild may change its size each spin depending on the next spin reel size.

When the player chooses **Sticky Wilds**, the Prize Wheel they are awarded relates to the number of Bonuses that trigger the feature:

- 
 7, 12, 15 free spins or level up;
- 
 12, 15, 20 free spins or level up;
- 
 15 or 20 free spins;
- 
 20 free spins.

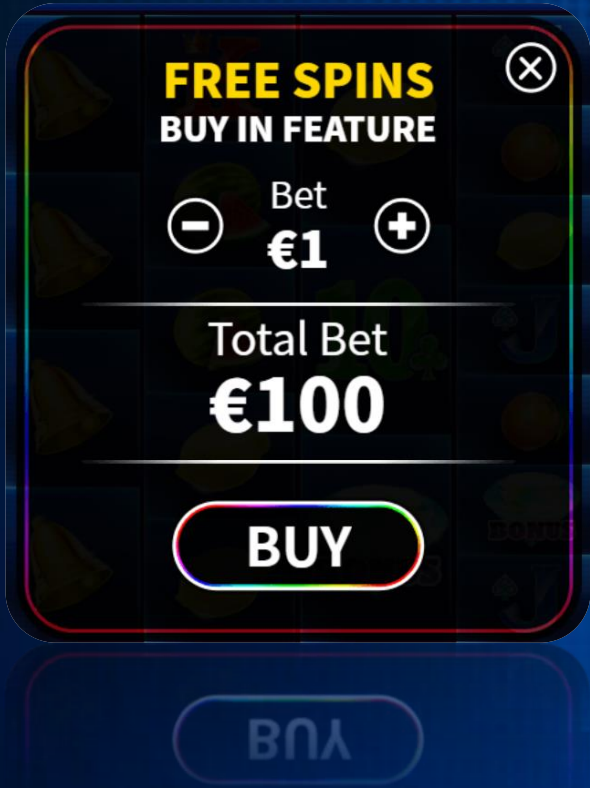

RANDOM WILDS FREE SPINS

Up to 6 Random Wilds may appear anywhere on the reels each spin.

The size of a Random Wild depends on size of a stopped reel.

When the player chooses **Random Wilds**, the Prize Wheel they are awarded relates to the number of Bonuses that trigger the feature:

	15, 18, 25 free spins or level up;
	18, 25, 30 free spins or level up;
	25 or 30 free spins;
	30 free spins.

BUY IN FEATURE

Buy In feature allows the player to buy the Free Spins trigger. It starts the Free Spins feature immediately for the cost of 100x bet.

To buy Free Spins the player needs to press the “BUY IN FEATURE” button and make a single payment that guarantees Free Spins trigger.

The player can also choose the bet and see the cost of Free Spins trigger, then press the “Buy” button to pay and spin the reels for the guaranteed Free Spins.

After purchasing the feature, all wins will be calculated the same as during regular spins.

The Buy In feature can only be activated between spins during the main game.

The Buy In feature cannot be activated at the same time as the Ante Bet feature.

Buy In Feature	RTP 96.50%	RTP 95.50%	RTP 94.50%
Max Bet (EUR)	20,000	20,000	20,000
Max Multiplier (x Total Bet)	100	100	100

ANTE BET FEATURE

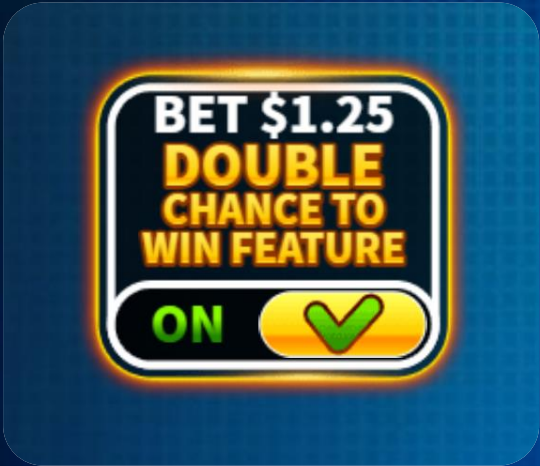

The Ante Bet feature doubles the chances of Free Spins for an additional cost.

Ante Bet price for the next spin is displayed on the screen. It is a total of the player’s current bet and 5 additional coins – 25% higher. For example, the bet is 20 coins – Ante Bet is 25 coins.

The player can activate the Ante Bet feature only in the main game. The Ante Bet cannot be turned on/off during spins.

The feature is turned off as a default.

The Buy In feature and the Ante Bet feature cannot be activated simultaneously.

Ante Bet	RTP 96.50%	RTP 95.50%	RTP 94.50%
Hit Rate	1 in 186	1 in 188	1 in 191
Max Bet (EUR)	250	250	250

Default Coin Bet Values at Upload

Skywind will upload the game with the below default Coin Bet values (the coin marked in **bold** is the default selected coin bet for all players as they enter the game for the very first time).

Please contact the Skywind support team if you want to make changes in the Coin values.

Game limits of all new games must ALWAYS be reviewed by the casino operator prior to the game's release to players. Failure to set the required maximum limit may result in the casino's exposure to large player wins.

As always, licensees are welcome to contact their Partner Manager for further assistance in understanding and configuring game limits and updates of coin values.
