Business Case

- Free Games with Mega symbols
- Jumbo Links Feature
- Mini, Major and Mega Bonuses

Symbol Details

Wild Symbol

The Wild symbol appears stacked anywhere on the reels during the main game and Free Games round.

The Wild symbol substitutes for all symbols except the Bonus and Scatter symbols.

Scatter Symbol

The Scatter symbol appears on reels 1, 3 and 5 during the main game and Free Games round.

3 Scatter symbols on reels 1, 3 and 5 trigger the Free Games with Mega symbols feature.

3 Scatter symbols appearing on the reels during the Free Games round retrigger the Free Games with Mega symbols feature.

Bonus Symbol

The Bonus symbol appears anywhere on the reels during the main game, Free Games with Mega symbols and Jumbo Links Bonus features.

6 and more Bonus symbols during the main game and Free Games round trigger the Jumbo Links Bonus game.

Game Features

Free Games with Mega Symbols Feature

Once 3 Scatter symbols appear on reels 1, 3 and 5, the Free Games with Mega symbols feature is triggered, and a player is awarded 5 free games.

During the Free Games round, reels 2, 3 and 4 are combined into 1 gigantic reel with a Mega symbol that occupies 3x3 positions. Any symbol can be a Mega symbol, including Wild, Bonus and Scatter symbols.

3 Scatter symbols landing on the reels during the Free Games with Mega symbols feature retrigger additional 5 free games.

Jumbo Links Bonus Feature

6 or more Bonus symbols during the main game and Free Games round trigger the Jumbo Links Bonus.

The Bonus symbols that triggered the feature stay locked, all other positions on the reels are cleared and 3 free spins are awarded.

During the feature reels contain only Bonus symbols and empty spaces. Each new landing Bonus symbol stays locked on the reels during the whole round, resets the number of remaining spins to 3 and awards a prize which is paid at the end of the Jumbo Links Bonus.

During Free Games with Mega symbols feature, if one Mega Bonus symbol appears on the reels, it occupies 3x3 positions and substitutes for 6 Bonus symbols to trigger the feature.

The feature is finished once all reels are covered with Bonus symbols or there are no more spins left.

Each Bonus symbol can award 1x, 2x, 3x, 5x, 6x, 8x, 10x, 12x, 15x or 20x Total Bet.

The final total win is the sum of all winnings from the Bonus symbols.

During the Jumbo Links Bonus, it is possible to win Mini, Major and Mega Bonuses.

Mini, Major and Mega Bonuses

Any 6+ Bonus symbols (including the Mini Bonus and/or Major Bonus symbols) that appear on the reels during the main game or Free Games round trigger the Jumbo Links Bonus and a player wins the respective Bonus amount, which is added to the player's balance at the end of the Jumbo Links Bonus feature.

The Mini Bonus pays 30x Total Bet.

The Major Bonus pays 100x Total Bet.

Filling all reel positions with Bonus symbols awards the Mega Bonus that pays 1,000x Total Bet and cash prizes from all the Bonus symbols on the reels.

It is possible to win Mini, Major and Mega Bonus prizes during one game round filling all reel positions with Bonus symbols including the Mini Bonus symbol and the Major Bonus symbol.

The final total win is the sum of all winnings from the Bonus symbols and Bonus wins.

Note: If Mini Bonus and/or Major Bonus symbols land on the reels during the main game or Free Games with Mega symbols without needed amount of Bonus symbols (6+ Bonus symbols), the feature won't be triggered, and the Bonus won't be awarded.

Casino's Exposure

The casino's maximum exposure from a single game round is limited by the win capping mechanism. The win capping defines that the total win from a single game round cannot exceed 500,000 Euro. Should the total win from a game round exceed this number, the total win will be capped.

Top Win information per bet got during simulation of 1,000,000,000 bets:

Highest win	1,965 x Total Bet
10th highest win	1,374 x Total Bet
100th highest win	1,226 x Total Bet

It is highly inadvisable to exceed the pre-set win capping values and game limits.

Default Coin Bet Values at Upload

Skywind will upload the game with the below default Coin Bet values (the coin marked in **bold** is the default selected coin bet for all players as they enter the game for the very first time):

Please contact the Skywind support team if you want to make changes in the Coin values.

Game limits of all new games must ALWAYS be reviewed by the casino operator prior to the game's release to players. Failure to set the required maximum limit may result in the casino's exposure to large player wins.

As always, licensees are welcome to contact their Account Manager for further assistance in understanding and configuring game limits and updates of coin values.
