

FIREHAWK FLAMES

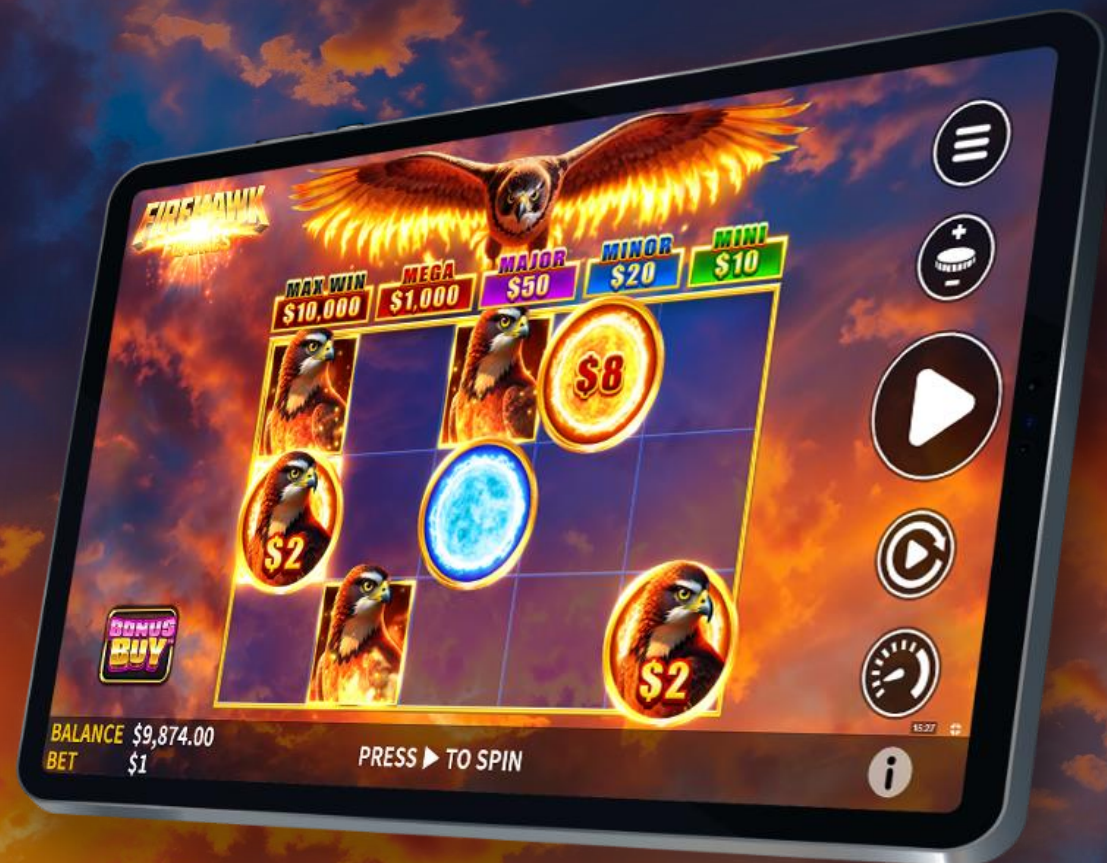

★ 3x Respin Features...

Firehawk respin,
Fireball respin,
Red hot respin

★ Bonus buy

★ Collect symbol

★ Max win symbol

FIREHAWK FLAMES

Fortune doesn't strike like lightning: it spreads like wildfire.

Soar above a blazing wilderness in *Firehawk Flames*, where a legendary predator turns fire into opportunity. The mighty **Firehawk** circles endlessly over the reels, scattering sparks that can ignite one of **three distinct Hold'n'Spin-style Respin Features**.

There are no ordinary line wins here. Every spin is a hunt for something bigger.

Collect **6 Firehawks**, **6 Fireballs**, or **6 Hawkballs** to unleash their respective Free Games. **Firehawks** lock in place and form powerful payline combinations, **Fireballs** capture prize values for instant rewards, while the elusive **Hawkball** combines both mechanics into one fiery symbol capable of delivering explosive payouts.

Every spin builds anticipation as the sky fills with flame and possibility. Will you chase the certainty of prizes, the thrill of line wins, or the ultimate power of the Hawkball?

FIREHAWK
FLAMES

The slot machine interface features a 5x3 grid of reels. The top reel is partially obscured by a large, fiery hawk with spread wings. The grid contains several hawk symbols, a 'MYSTERY' symbol, and '\$2' and '\$5' coin symbols. A 'BONUS BUY' button is located at the bottom left of the grid. The background is a fiery, orange and red sky.

FIREHAWK SYMBOL

**There are three key symbols in the game:
Firehawk, Fireball and the combined Hawkball.**

Any 6 or more Firehawk landing in the base game will award the FIREHAWK RESPIN FEATURE.

Player is awarded 3 respins where Firehawk symbols are held and all other symbols are removed from the game.

If any Firehawk symbol lands during the Respin feature, the respin counter is reset to 3.

When no more respins are left, game screen is assessed for line wins.

There are 9 possible line win combinations, paying 2, 4, 8 or 20x Standard Bet for 2, 3, 4 or 5 of-a-kind respectively.

FIREBALL SYMBOL

Any 6 or more Fireball landing in the base game will award the FIREBALL RESPIN FEATURE.

Player is awarded 3 respins where Fireball symbols are held and all other symbols are removed from the game.

If any Fireball symbol lands during the Respin feature, the respin counter is reset to 3.

When no more respins are left, each individual symbol that lands onscreen awards its displayed prize.

Prizes include 1x, 2x, 3x, 4x, 5x, 6x, 7x, 8x, 9x standard bet, as well as Mini, Minor, Major Bonuses and MAX WIN.

HAWKBALL SYMBOL

Hawkball is a symbol that combines both the Firehawk symbol and the Fireball symbol and also substitutes for each.

When substituting during the base game, there are three possible winning outcomes:

1. Hawkball combines with/substitutes for Firehawk to a total of 6 Firehawk symbols, triggering the Firehawk Respin Feature.
2. Hawkball combines with/substitutes for Fireball to a total of 6 Fireball symbols, triggering the Fireball Respin Feature.
3. Hawkball combines with/substitutes for both Firehawk and Fireball symbols, for a total of 6 of each, triggering the Red Hot Respin Feature.

During the Red Hot Respin Feature:

1. All symbols convert to Hawkball.
2. 3 respins are awarded.
3. If any Hawkball symbol lands during the Red Hot Respin feature, the respin counter is reset to 3.

At the end of the feature, both Prizes and Line Wins are paid.

MAX WIN SYMBOL

MAX WIN symbol can appear on any of the three Key Symbols: FIREHAWK, FIREBALL or HAWKBALL.

MAX WIN Symbol can land at any time during the base game and during any Respin Game.

If MAX WIN lands during the base game, it must complete a set of at least 6-of-a-kind symbols to be awarded.

If MAX WIN lands during a Respin Feature, the MAX WIN is automatically awarded.

Once MAX WIN is awarded, all game play ceases, any potential wins or wins displayed in the win meter are considered part of the max win of 10,000x Standard Bet and is immediately paid.

COLLECT SYMBOL

There are two COLLECT symbols in the game.

The FIREBALL Symbol, shown left, and the HAWKBALL Symbol.

When COLLECT symbol lands in a Feature-triggering combination or during a Respin Feature, any displayed prizes are immediately added to the COLLECT symbol before proceeding with the remaining RESPIN Feature.

If there is a multiplier on the contributing symbol, its value is first multiplied before being added.

Any MYSTERY Symbols are not added as these are revealed at the end of the feature.

BONUS PRIZES SYMBOLS

There are 4 BONUS Prizes available: MINI, MINOR, MAJOR and MEGA, valued at 10x, 20x, 50x and 1,000x standard bet respectively.

MINI, MINOR and MAJOR Prizes can appear on all three Key Symbols: Firehawk, Fireball and Hawkball.

MINI, MINOR and MAJOR Prizes can also be revealed from behind any MYSTERY Symbol.

Triggering 6 or more of-a-kind Respin Feature that includes a BONUS PRIZE will award that prize at the end of the Feature.

Filling all 15 positions of any Respin Feature will award the MEGA BONUS Prize.

BASE GAME

There are no direct wins associated with a base game spin. Only respins can be awarded.

Any 6 or more Firehawk awards the FIREHAWK RESPIN FEATURE.

Any 6 or more Fireball awards the FIREBALL RESPIN FEATURE.

Any combination of 6 Firehawk PLUS 6 Fireball that utilise at least one combined Hawkball symbol awards the RED HOT RESPIN FEATURE.

STICKY SYMBOL

HAWKBALL can occasionally become a sticky symbol in the game, with up to a maximum of 2 sticky symbols onscreen at any one time.

Sticky HAWKBALL will remain sticky on the screen, where it can substitute for both the Firehawk and the Fireball symbol, until a natural trigger is awarded.

Sticky Symbol can also contribute to the RED HOT RESPIN FEATURE.

Sticky Symbol is persistent across all game states.

RANDOM FEATURE

After any non-winning base game, it is possible to randomly trigger the Firehawk or Fireball Feature.

The guardian Firehawk that sits over the meters will move forward and randomly drop fireball orbs onto the game screen in sufficient numbers to trigger either the Firehawk Respin Feature or the Fireball Respin Feature.

Any randomly-triggered Respin Feature will exhibit a higher-than-normal frequency of Multiplier symbols that are applied to individual positions in the respin game.

FIREHAWK RESPIN

Any 6 or more Firehawk symbols triggers the FIREHAWK RESPIN FEATURE.

All other symbols are removed and 3 respins are awarded.

Any Firehawk symbol that lands during the Respin Feature resets the Respins counter to 3. When all respins are completed, game is assessed for line wins.

There is a secondary Firehawk symbol that can award a Mystery symbol or a Bonus Prize. Mystery symbol will reveal either a regular Firehawk symbol or a Bonus Prize.

Bonus Prize is in addition to line wins and include MINI, MINOR or MAJOR Bonus paying 10, 20 or 50x Standard Bet.

FIREBALL FEATURE + MULTIPLIER ADD

Any 6 or more Fireball symbols triggers the FIREBALL RESPIN FEATURE.

All other symbols are removed and 3 respins are awarded.

Any Fireball symbol that lands during the Respin Feature resets the Respins counter to 3. When all respins are completed, game is assessed for line wins.

Multipliers can be randomly added to any position during any Respin Feature. That multiplier can be applied to the prize directly related to that symbol position as well as the line win prize.

If the Fireball or Firehawk Respin Features are triggered via the Random Add Feature, the Multipliers have an increased likelihood of being awarded on any respin.

RED HOT RESPIN TRIGGER

There is a combined Hawkball symbol in the game that substitutes for both Firehawk and Fireball.

In the event that one or more combined Hawkball symbols onscreen results in both the Firehawk and Fireball counts numbering 6 each, the RED HOT RESPIN FEATURE is awarded.

To the left is such a depiction, where the three Hawkball symbols combine with the three Firehawk symbols and the 3 Fireball symbols, resulting in 6 of each, to award the Red Hot Respin Feature.

RED HOT PAYOUT: PRIZES + LINE WINS

On completion of the RED HOT RESPIN FEATURE, both individual prizes and the resulting line wins are assessed and paid.

Any multipliers that reside on the individual symbols are assessed as follows:

1. Individual prizes are first multiplied, with their value expanded and paid individually. This includes any BONUS Prizes.
2. During the Line Win stage of win assessment, any multiplier that occupies a position contributing to a line win are added, and then the line win is multiplied by that total value.

The depiction to the left highlights line 6 payout multiplied by x8 (x3 + x3 + x2) for a \$1 bet.

COLLECT FEATURE

There is a COLLECT symbol in the game.

At the first appearance of the COLLECT Symbol in an awarded RESPIN FEATURE, all displayed prizes are added to the COLLECT Symbol.

The only symbols not collected are the MYSTERY Symbol which has not yet been revealed.

Game is paused momentarily whilst the collection is completed, then respins resume.

COLLECT Symbol may appear in the FIREBALL RESPIN FEATURE and the RED HOT RESPIN FEATURE.

MEGA BONUS PRIZE

MEGA BONUS is awarded any time all 15 positions of the grid are filled with the FIREHAWK Symbol, FIREBALL Symbol or the combined HAWKBALL Symbol.

MEGA BONUS pays 1000x Standard Bet in addition to all other prizes, with the exception of MAX WIN.

MAX WIN

There is a symbol in the game called MAX WIN.

MAX WIN Symbol can appear on the FIREHAWK Symbol, the FIREBALL Symbol or the HAWKBALL Symbol.

Landing MAX WIN Symbol in a triggering combination of 6 or more of-a-kind FIREHAWK, FIREBALL or HAWKBALL awards the maximum available win in the game, being 10,000x the Standard Bet.

Once MAX WIN is awarded, all game play terminates, all other prizes are rendered neutral and player is awarded 10,000x their standard bet.

BONUS BUY FEATURE

BONUS BUY FEATURE presents the player with 4 BONUS BUY options.

Clicking on the BONUS BUY icon opens a feature menu, where the amount to purchase options are displayed, calculated on the bet amount.

Press the specific BUY button to pay for that feature.

BONUS BUY options include the following:

1. FIERY RESPIN FEATURE awards either FIREHAWK or FIREBALL RESPIN FEATURE.
2. RANDOM FIERY RESPIN FEATURE awards either FIREHAWK or FIREBALL RESPIN FEATURE with enhanced MULTIPLIERS.
3. RED HOT RESPIN FEATURE awards the combined PRIZES/LINES HAWKBALL FEATURE.
4. ALL OR NOTHING awards a single individual spin that merely guarantees that the MAX WIN symbol will land. It does not guarantee the MAX WIN.

ALL OR NOTHING

Only available as a BONUS BUY Option, the ALL OR NOTHING Feature guarantees that one MAX WIN Symbol of each Firehawk and Fireball will land onscreen.

Beyond that, player must land a Feature-triggering combination of either 5 Firehawk symbols or 5 Fireball symbols, for a total of 6 of-a kind symbols.

If this outcome is achieved, Player is immediately awarded 10,000x standard game cost.

Otherwise, game over and player is awarded nothing.

Skywind will upload the game with the default Coin Bet values shown here (the coin marked **yellow** is the default selected coin bet for all players as they enter the game for the very first time).

Please contact the Skywind support team if you want to make changes in the Coin values.

Game limits of all new games must ALWAYS be reviewed by the casino operator prior to the game's release to players. Failure to set the required maximum limit may result in the casino's exposure to large player wins.

As always, licensees are welcome to contact their Partner Manager for further assistance in understanding and configuring game limits and updates of coin values.
