Play It Your Way™

The Play It Your Way™ feature is triggered at the end of the Gold Heist free games.

After the feature is triggered, the player has three options: to collect the cash winnings of the Gold Heist round and return to the main game, bank part or all of their win meter or stake the remaining portion of the win meter on the Sheriff's Badge spin.

The badge has 2 zones: red and green. The Sheriff's Badge spin may either land in the red zone and the Gold Heist prize will be lost and the player is returned to the main game. Or it may land in the green zone and another round of the Gold Heist will be triggered.

There are 3 Sheriff's Badges to choose from: 1, 5 or 10 spins. The more spins on the badge, the more the red zone, and the less the green one.

The Play It Your Way™ feature is available up to 10 times during the Gold Heist feature.

- drag slider to left or right;
- press "+" or "-" at sides of the slider;
- or use a keypad to enter the sum for banking.

As the player chooses the sum the following parameters change:
